

17 January 2019

Dear Applicant,

Thank you for your interest in the **RES1901: LIVESTOCK RESEARCH COMMUNICATOR (Grade 6)** position at the Organic Research Centre, Elm Farm. I enclose for your consideration:

- An application form
- A job description, role requirements and personal specification
- Additional information about the Organic Research Centre.

Please read the job description, role requirements and personal specification carefully before completing the application form. We particularly wish to know (a) **why you are interested in this post,** (b) **how your skills and experience meet the job description, role requirement and personal specification** and (c) **what you believe you can contribute**. Once you have completed the application form please email to [recruitment@organicresearchcentre.com](mailto:recruitment@organicresearchcentre.com) by **9am on Monday 11 February 2019** with any additional supporting documentation i.e. Curriculum Vitae (CV), publication list etc. However, please be aware we will only accept applications on the company application form and standalone CV applications will not be considered. Applications received after the closing deadline may not be considered. **The post is initially for 12 months, with the possibility of extension.**

Interviews are due to be held at the Organic Research Centre, Elm Farm, Berkshire RG20 0HR on **Thursday 21 February 2019**. The selection process will consist of an interview of about an hour, at which you will be asked to present examples of relevant work experience in relation to communication of scientific research to a farming audience. Further details of this will be provided to candidates invited for interview. A decision is normally made following the first round of interviews, but second interviews may occasionally be required.

If, due to disability, you require adjustments to be made during the selection process, please indicate this in the appropriate place on the application form. If necessary, we may contact you to obtain further information about such adjustments.

If you have further queries please do not hesitate to contact me ([bruce.p@organicresearchcentre.com](mailto:bruce.p@organicresearchcentre.com)) so that I can assist you further. For further information about the Organic Research Centre please see our website, [www.organicresearchcentre.com](http://www.organicresearchcentre.com), and the document in the pack.

Yours sincerely

**Dr Bruce Pearce, Director**
